Hospitality Group**

**GLOBAL LEADING HOTEL  
OWNERSHIP SUPPORT**

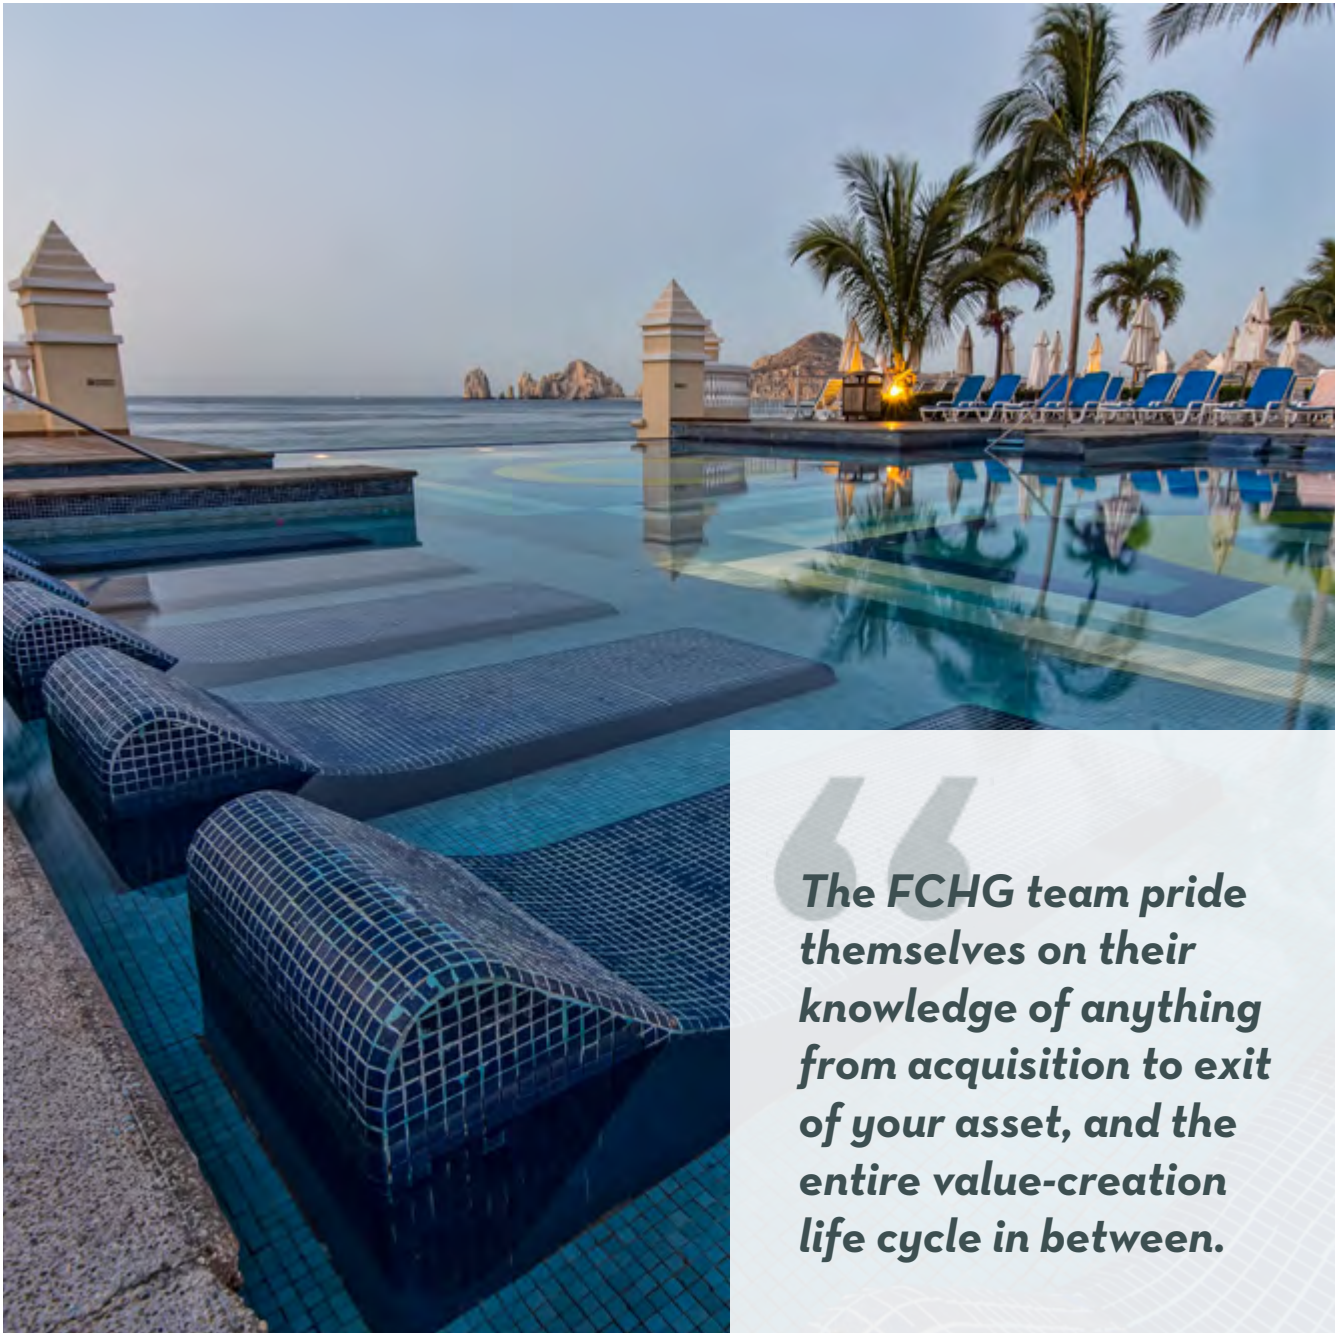

## WHY US?

Four Corners Hospitality Group is one of the most experienced acquisitions, advisory, consultancy and asset management companies within the hotel sector.

Exceptional times require exceptional specialist skills.

The fresh-thinking, assured and transformative approach that FCHG operates, offering you a one-shop service for anything to do with the hotel sector, is exactly what you need for a responsive, straightforward hotel asset management or hotel consultancy solution.

*The FCHG team pride themselves on their knowledge of anything from acquisition to exit of your asset, and the entire value-creation life cycle in between.*

## YOUR EXPERTS ARE THE BEST IN THE BUSINESS

What sets FCHG apart is it's uniquely positioned diverse spectrum of knowledge, expertise and unrivalled understanding of how to improve and maximise your return on investment.

Created by Tim Shearman and Kym Kapadia, bringing a wealth of experience and new dimension to hotel ownership support, FCHG comes along with a demonstrated track record of exceptional returns.

Working with a family of 'hand picked' experts spanning every discipline of hotel keeping.

With Four Corners Hospitality Group you are partnering with the best talent in the industry who have a refreshingly responsive, agile and detailed approach.

***This is an incredibly exciting and opportunistic time to offer hotel owners and investors the benefit of our global experience and knowledge to either improve the value of their investment or identify new areas of value creation.”***
